

The Two-Tag System

File keys are attached permanently to numbered Octagonal Key Tags and filed on key hooks. Duplicate loaner keys are fastened to numbered Hook-Style Oval Key Tags and filed on the same hook. When a key is loaned or issued, a receipt slip recording key recipient and date is inserted into a brass holder and hung with the permanent file key. A complete Key Loan Register records all keys loaned. A unique 3-Way Cross-Reference Index Binder logs vital key information.

A-B Dupli-Key® Two-Tag Cabinets

Sturdy, welded steel construction with piano hinged doors and key panels. Designed to be hung on wall, used on table or shelf, or recessed into wall opening. Bodies are 20-gauge steel with 18-gauge doors. Cabinets include standard key lock. Master-keyed locks available for an additional cost. Combination or dual-control locks also available for an additional cost on all cabinets below except 8030, 8040 and 8090.
